## National Taiwan Normal University Department of Physics Admission Scholarship for Children of Alumni

Approved with amendments at the Third Meeting of the Fifth Board of Directors on September 6, 2018

1. To improve the quality of the incoming first-year undergraduate students of the Department of Physics (hereinafter referred to as the Department), alumni of the 1978 class of Physics have established this scholarship, initiated by alumni of the 1967 class and encouraging alumni from all classes to participate. This scholarship is intended to reward outstanding children of alumni for their admission to the Department's undergraduate program.
2. This scholarship is limited to first-year undergraduate students who are children or grandchildren of alumni who have graduated with bachelor's, master's, or doctoral degrees, or who are full-time faculty members.
3. This scholarship is awarded once before the start of the first semester of each academic year. There is no limit on the number of students who receive the scholarship. The scholarship amount is NT\$50,000 per first-year student and will be disbursed over two semesters after enrollment.
4. The scholarship is funded by donations from alumni of the 1978 class who participated in their 40th graduation anniversary homecoming, as well as ongoing contributions from dedicated alumni individuals or groups.
5. The announcement, administration, and continuation of this scholarship will be determined by the parent institution based on the remaining scholarship balance.
